

Do you have a child or care for someone under the age of 18?

What are your experiences of accessing your GP practice for your child or the young person you care for?

You can share your experience anonymously by completing our survey: <https://bit.ly/ParentsCarersGPAccess>

Why should I share my views?

By sharing your views, you will be helping NHS leaders to ensure parents, carers and children and young people can access their GP with greater ease.
